

BY ORDER OF THE COMMANDER

MAXWELL AIR FORCE BASE SUPPLEMENT 1

AFI 91-207

28 MARCH 2000

Safety

THE US AIR FORCE TRAFFIC SAFETY PROGRAM

Supersedes AFI 91-207/MAFBS1, 17 Jan 97

OPR: 42 ABW/SEG (Mr Robert Pratt)

Approved by: 42 ABW/SE (Lt Col Steven W. Sayre)

Pages: 1/Distribution: F

AFI 91-207, 1 Oct 95, is supplemented as follows:

- ¶5.3. Each unit conducts a quarterly seatbelt survey and documents the results on an AETC Form 704, **Occupant Restraint Device Survey**. Forward completed AETC Form 704 to Wing Safety office (42 ABW/SE). Results are briefed at the Quarterly Combined Safety Council.
- ¶13. Unit motorcycle monitors maintain a completed AETC Form 708, **Commander's Motorcycle Safety Interview**, on all motorcycle owners or operators assigned to their unit.
- ¶13.1. (Added) (MAFB) Unit motorcycle monitors must maintain a list of all motorcycle riders throughout their organizations.
- ¶13.2. (Added) (MAFB) All military personnel, whether riding on a DoD installation or not, must provide proof of training.
- 14. All motorcycle clothing and accessory requirements apply to any motorcycle passenger on a DoD installation and all military members acting as a motorcycle passenger off base.

STEVEN W. SAYRE, Lt Col, USAF
Chief of Wing Safety
